

ST. PETER'S PARKING LOT

PARENTS: It is recommended that arrangements be made with your child to be picked-up or dropped-off on the streets adjacent to the school (on Duxhall Dr. north & south of the School & on 46th St. east of the school). If you must use the parking lot, please enter the lot and circulate in a single file line. If you feel it is absolutely necessary to park and walk your child to or from the school, please enter the lot using the south entrance and use the PARKING AREA at the west end of the parking lot only. Walk your child on the perimeter of the PARKING AREA only. DO NOT WALK THROUGH THE PARKING LOT! (See above diagram & instructions below)

DROPPING-OFF: Circulate in a single file line and drop your child off on the north or east side of the lot only.

PICKING-UP: Circulate in a single file line and continue to circulate until you see your child. You may then stop and pick-up your child at the north or east side of the lot only. Do not park in the Bus Zone area until after the bus has departed.

REMINDERS:

1. When picking-up or dropping off along the street, do not stop your vehicle within 75 ft. in advance of or 25 ft. beyond a marked and signed crosswalk.
2. Always pick-up and drop-off your child on the school side of the street. If you choose to use the opposite side of the street, children need to use marked crosswalks. Crossing in the middle of the block could be hazardous.
3. When passing a parked vehicle, check for children who may dart out into the street.
4. To prevent children from walking between cars, do not double park.
